About

Established in Sweden in 1943, IKEA a home products retailer specialising in flat pack furniture, accessories, bathrooms and kitchens. Ikea is a private limited company owned by a foundation controlled by the Kamprad family. INGKA Holding B.V. (also owned by the foundation) is the parent of all IKEA Group companies, including the IKEA furniture manufacturer Sedwood and the purchasing and supply functions of the chain. There are 18 IKEA stores in the UK, all large, multi-levelled and predominantly in out-of-town areas. Ikea trades internationally, with over 300 stores in 38 countries worldwide.

History

- 1920s' - Ingvar Kamprad started off selling matches, flower seed, greetings cards, decorations and stationary to his neighbours
- 1940s' - 50s' - Ingvar develops IKEA into a furniture retailer
- 1960s' - 70s' – IKEA starts to become the IKEA we know today
- 1980s' – IKEA expands into the US, Italy, France and the UK
- 1990s' - Children's IKEA is launched along with the IKEA group.
- 2000s' - IKEA expands into even more markets such as Japan and Russia. This period also sees the successes of several partnerships regarding social and environmental projects.
